Dear Eve,

Thank you for your support of Congregation Eitz Or's High Holy Days, with both your presence and your financial contribution.

We have just learned that our credit card billing for Eitz Or's 2008 High Holy Day tickets and Autumn membership pledges was incomplete. In other words, all contributions, including yours, never made it to our bank.

Please check your credit card billing statements! Our credit card service tells us that

1. you may see an Eitz Or charge in October, but find the funds returned by early December, OR
2. you may not see any charge in the Autumn months.

Consequently, we are in the awkward position of needing to re-process your contribution for High Holy Day tickets and/or Autumn membership pledges.

Please see the enclosed invoice showing the total amount of your Autumn contribution and the last four digits of the card you offered us.

We will be submitting this amount to this card on February 24, unless we receive instructions otherwise from you.

We deeply regret the inconvenience and confusion of this misadventure. Please contact us with any questions at info@eitzor.org or 206-467-2617.

Yours Truly,

Talya / Tree McCurdy, Administrator
