Dear Lee,

Thank you for your support of Congregation Eitz Or's spiritual endeavors this past year, including our High Holy Days services, both with your presence and your financial contribution.

We could not exist without your generous financial support and we very much appreciate all the contributions you have made to our community that have made this past calendar year so successful.

Attached is a copy of your contributions for the 2008 calendar tax year.

Sincerely,

Joe Puchot, Congregation Eitz Or Treasurer
Tree/Tayla McCurdy, Congregation Eitz Or Administrator
